ECO PRESTIGE PREBUILT

SUSTAINABLE Lower Impact | HIGH QUALITY Built to Last | FASTER DELIVERY Less Hassle

RESIDENTIAL

PREBUILT

MODERN. FLEXIBLE. SMARTER.

DESIGNED AROUND YOU.

High quality modular homes with flexible designs, transparent pricing and faster delivery – so you can create more value with confidence.

EVERY MODULAR IS A CUSTOM DESIGN

Flexible floorplans, sizes and finishes to suit your lifestyle, site and budget.

FOR HOMEOWNERS
Create extra space for family, modern living and a smarter, faster build.

FOR INVESTORS & DEVELOPERS
Increase site value, strong rental demand and scalable solutions.

FOR BROKERS
Clear modular costs to support feasibility assessments and earlier settlement planning.

FOR BUYERS AGENTS
Know the modular costs early, assess opportunities faster and help clients unlock value.

THE ECO PRESTIGE PREBUILT PROCESS

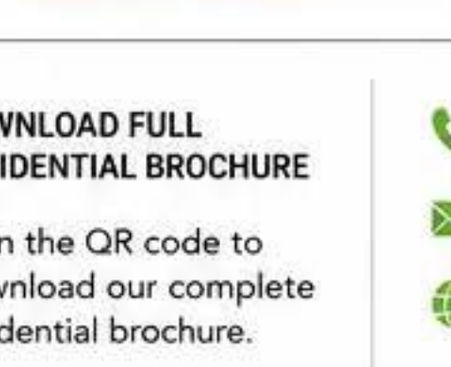

Consult & Design → Custom Modular Build → Quality Check → Deliver & Install → Move In & Enjoy

YOUR BUILDER OR OURS – THE CHOICE IS YOURS
Use your own licensed builder for site works and installation, or, in Victoria, our sister company DST (registered domestic builder CDB-U 72187) can handle it for you.

BUILT FOR REAL LIVING

Premium finishes, smart layouts and natural light – designed to look great and live beautifully.

SPRINGVALE DISPLAY
See our display unit and installation demonstration in Springvale.

By appointment.
